New Portal Claims (Duties owed by the Insured)

For claims arising in England and Wales on or after the 31st July 2013 new processes apply for most low value Employers Liability and Public Liability claims whereby the claims will be handled through a web based portal on behalf of the Ministry of Justice.

Insured's are required to advise enquiring Claimants and/or Claimants' representatives of the identity of their Employers Liability Insurers or Public Liability Insurers who are on risk for the date of incident/accident.

In addition, there is a very strict and tight time constraint if an Insured receives a Claim Notification Form (CNF) direct from the Claimant's representatives. The requirement is that an acknowledgement (which must be by email) is immediately sent to the Claimant or Claimant's representatives by the next working day after receipt of the CNF. The acknowledgement must also confirm that the CNF has been passed to Triton (Underwriters third party administrators).

It is anticipated Claimant and/or Claimant's representatives may be able to identify Triton as the relevant Claims Administrators under the Portal Scheme and, if this is the case, they will send an electronic Claim Notification Form to Triton Portal Account when Triton will acknowledge the CNF and commence the process immediately.

However, the Claimant and/or Claimant's representatives are still required to send a "Defendant Only Claims Notification Form" to you for information purposes only. If the Notification is marked "Defendant Only CNF" you do not need to take any action other than to prepare all available documentation on the accident for Knowles Loss Adjusters.

Once a claim has been acknowledged Triton and Knowles Loss Adjusters (their representative) will only have a limited number of days to investigate and determine whether liability should be accepted or denied. It is therefore vital that full co-operation and assistance is provided to Knowles Loss Adjusters so that they can complete their investigation within the very tight time constraints. Furthermore, in the event that acceptance of the claim is made through the Portal then loss of earnings details must be provided within 20 days on Employers Liability claims. It is therefore vital that, when applicable, loss of earnings details are provided as soon as it has been agreed to make a settlement offer to the Claimant.

Please note your failure to report a claim or potential claim immediately, or to provide our appointed claims administrators (Triton and their representative Knowles Loss Adjusters) with full cooperation in the claims investigation process and provision of all requested documents within the timeframe specified by them could result in the support from this policy being withdrawn

7. Claims (Company's rights)

- (a) The Company may
 - (i) investigate handle and control any claim notified to it at its absolute discretion and may settle compromise or make ex-gratia payments in respect thereof and generally conduct any proceedings process or actions related to such claim as it deems appropriate and the costs incurred by the

13. Contracts (Rights of Third Parties) Act 1999

A person firm body corporate or entity who is not the Named Insured has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Policy but this does not affect any right or remedy of a third party which exists or is available apart from that Act

The Company reserves the right to review all the terms and conditions of the Policy following the survey or surveys

17. Jurisdiction

Any indemnity provided by this Policy in respect of legal liability to pay Compensation (including claimants costs and expenses) shall operate in accordance with the law of any country but not in respect of any judgement award payment or settlement made within countries which operate under the laws of the United States of America or Canada (or to any order made anywhere in the world to enforce such judgement award payment or settlement either in whole or in part) unless the Named Insured has requested that there shall be no such limitation and has accepted the terms of the North American Jurisdiction extension clause which may form part of any Section of this Policy and has agreed to pay any additional premium required by the Company
