

# DRIVER COACHING ARDS GRADE B

I am the full-time driver coach at Eden Race Drive, working with drivers of all levels, from amateurs to pros, to refine their skills and performance. I have also coached with Richardson Racing in both Ginetta Juniors and the Porsche Carrera Cup. Beyond that, I have worked with a range of cars, from MX-5s to BMW track cars and many more, helping drivers get the most out of their time on track.
